

Merida

We are continually looking for new ways to create value for our design clients, with rugs of true originality that will bring joy to your clients for years to come. And in a world that is increasingly denigrated by disposable products, we are more committed than ever to bringing the focus back to the deep beauty of natural materials that are smart for the environment (and safe for the home); the soulfulness of true craftsmanship; and the uplifting spirit of design.

PORTFOLIO

TROY - NATURAL

Troy takes inspiration from fine tailoring, alternating thin- felted wool stripes with a band of natural color.

Troy - part of the Portfolio Collection - showcases the interaction of yarns, weaves, and patterns to create compositional beauty from the ground up.
