Scavolini

The Scavolini line allows a tasteful, rational take on all spaces. Thanks to a wide range of products, Scavolini takes up different styles and desires, including those of the public who wish to make their own home unique through design.

Made of chrome-plated or satin-finished metal, and available in various models, these handles lend an elegant touch to the wall-hung cabinetry compositions; bases with pull-out baskets and open-shelf units (all of them in opaque lacquered Mink colour). Same colour for the matt-finished glass top (52 cm deep) and two 70 cm “Dam” washbasins in Mineralmarmo.
