

Atacama

Farrow & Ball

Subtle neutral or striking metallic, delicate floral or classic stripe - whatever your style, you'll find it among our handcrafted wallpapers.

Inspired by a brightly coloured swatch found nestled in an old fabric mill, this playful tropical print is the ultimate in escapism. Within Atacama there are rich textures to explore, prickly cacti to find and an intricate botanical design that can't fail to bring a smile; much like the flowering South American desert it is named after.

Full roll width is 53cm/21", roll length is 10m, pattern repeat is 62.3cm/24 9/16", Available in 4 colourways.

Ground colour: Stiffkey Blue No.281

Print colour: bespoke silver
