

Breccia Lilla

[Discover Tile, LLC](#)

A stunning white Italian marble with distinctive dark green and purple veining, Breccia Lilla is sourced from the same quarry that brings us Calacatta Gold, Statuario, and Arabescato marbles. Sought for use in luxury interiors since the nineteenth century, this stone's warm white background is a perfect fit in any setting, and is suitable for both residential and commercial settings. Stocked in polished 18"x 18" field tile and 3/4" slabs.
