

Breezy Scarf in Dogwood Clementine by Linda Cabot Design

[Linda Cabot Design](#)

In light of living in these unprecedented times, we've designed our Breezy Scarf in response to Covid-19. Whether it's wearing this fashion item on your trip to the grocery store, a walk on the beach, at a safe distance cocktail party or your commute on the train back to the office, you can feel more at ease using the pockets to open doors, grab items at the store, or carry your phone, wipes, keys and credit card. The Breezy Scarf can even be used as a lightweight face covering.

- **One 2 oz. bottle of "Good That Matters" hand sanitizer is included with each scarf purchase**
- **Scarf is 70 inches x 9.5 inches**
- **Made from eco-friendly Tencel Fabric**
- **(2) Built-in pockets on both scarf ends**
- **Lightweight Face Covering Option**
- **Hand stitched in Massachusetts**
- **All of our products are handmade and therefore one of a kind. Variations should be expected and embraced**
- **Linda Cabot Design is small batch production, quantities are limited**

A gentle touch of nature; we'd like you to meet our Breezy Scarf. An airy, temperature regulating scarf with 2 pockets. Made from sustainable and lightweight TENCEL™, you can feel good about wearing this grab-and-go essential.

Use the pockets to open doors, grab items at the store, or carry your phone, wipes, keys and credit card. The Breezy Scarf can even be used as a lightweight face covering.

The Breezy Scarf in Dogwood Clementine is our brightest pattern yet! A floral that pops against any backdrop.
