

Elegant Bathroom

[Jewett Farms](#)

Jewett Farms + Co. craftsmanship and personalized sense of design are present in everything we create; our architectural millwork and furniture grade cabinetry will make every room in your home special. The team of skilled JF cabinetmakers build every project from start to finish in our York, Maine cabinet shop. All materials are hand selected, then constructed using a blend of time-honored traditional joinery and efficient modern techniques to build each

Your bathroom should be a sanctuary. A place of relaxation to start and end your day in the best possible way. Our designers will create a space that is restful, organized and artfully designed for a bathroom that will stand the test of time. We will guide you to select materials and finishes that will stand up to the challenges of a bathroom environment.
