Scavolini

The Scavolini line allows a tasteful, rational take on all spaces. Thanks to a wide range of products, Scavolini takes up different styles and desires, including those of the public who wish to make their own home unique through design.

The undisputed star of this setting is the new Favilla cooking block in cast iron effect matt lacquer, with a Pearl Quartz worktop and a load-bearing foot, which, together with its matching hood, delineates a beguiling operating station, to match the Old Natural laminate worktop.
