

Grand Scale

[Downsview Kitchens](#)

Since 1967, at DOWNSVIEW KITCHENS we have been producing the finest kitchen furnishings on the market. Through the years we have assembled a remarkable team of designers, technicians, craftsmen, finishers and artisans who together have made the company one of the industry's leading manufacturers.

WORK IN PROGRESS

Inspiration serves as a primary guide throughout the design process. Utilizing the latest computer generated design technology, Downsview can provide our clients the "virtual vision board" needed to achieve a more complete image of their desired kitchen space.
