

HARDWOOD VEGETABLE DRAWERS

[Jewett Farms](#)

Jewett Farms + Co. craftsmanship and personalized sense of design are present in everything we create; our architectural millwork and furniture grade cabinetry will make every room in your home special. The team of skilled JF cabinetmakers build every project from start to finish in our York, Maine cabinet shop. All materials are hand selected, then constructed using a blend of time-honored traditional joinery and efficient modern techniques to build each

Every product is designed by our craftsmen and made by hand, as a result, each one is unique. Our team is always working on creative designs for items that will organize and beautify your kitchen. From ventilated vegetable drawers to one of a kind cheese boards, all of the products are made in small batches and are always evolving.
