

HAVEN TRANQUIL

[Carlisle Wide Plank Flooring](#)

Every one of our wide plank floors is **custom crafted to your specifications using only the finest wood available.** Because your floor is manufactured by craftsmen in our New Hampshire facility your choices are truly unlimited! They include selecting species, structure (engineered/solid), grade, width, texture and unlimited colors. To explore your options, you can continue viewing the Carlisle Collections, a gallery of our most popular tried-and-true finishes, or go to [Custom Hardwood](#), a gallery of highly individualized one-of-a-kind masterpieces.

In a world defined by chaos, competition and constant change, finding tranquility is becoming harder every day. That's why we decided to develop the Tranquil Collection,
