

Incandescence

[Discover Tile, LLC](#)

Incandescence is an ethereally beautiful art-glass colorway, with dichroic swirls and metallic accents under gauzy, milky layers. It presents an aesthetic unique to glass, with a cool, and lovely feel. We are stocking Incandescence as a handcrafted 3" x 9" elongated subway tile, and as a new colorway in our tapered mosaic. The 3x9's are stocked in gloss or matte finish.
