

Living Space Wall Unit

[Jewett Farms](#)

Jewett Farms + Co. craftsmanship and personalized sense of design are present in everything we create; our architectural millwork and furniture grade cabinetry will make every room in your home special. The team of skilled JF cabinetmakers build every project from start to finish in our York, Maine cabinet shop. All materials are hand selected, then constructed using a blend of time-honored traditional joinery and efficient modern techniques to build each

Your living space is an extension of you, your family and all of your interests. Whether your inspiration comes from books, home theatre equipment or collections from your travels, your personality informs your living space.

Whether your space is a mudroom, library, bar or bedroom, Jewett Farms + Co. handcrafted furniture pieces, built-ins and custom millwork will enhance your interiors and ensure that your living spaces are comfortable, beautiful and timeless.
