

Mansfield Park Wallpapers

[Osborne & Little](#)

This collection of decorative wallcoverings, including two mural designs, offers a modern take on the quintessential English country house, its gardens and surrounding countryside. The collection takes its name from the novel of the celebrated British novelist, Jane Austen. Several of the patterns have companion fabrics in MANSFIELD PARK.

This collection of decorative wallcoverings, including two mural designs, offers a modern take on the quintessential English country house, its gardens and surrounding countryside.
