[Grand Rapids Furniture Company](#)

Grand Rapids Furniture Co. is a wholesale distributor of fine furnishings servicing interior designers and architects nation-wide. We were established in 1987 at the Boston Design Center located in the seaport district of Boston. Our company prides itself on our excellent customer service and high quality merchandise. While specializing in American made custom upholstery, Grand Rapids Furniture also offers custom casegoods, brilliant lighting, and unique accessories from across the world. Our 5000 square foot showroom showcases a blend of traditional, transitional, contemporary and coastal inspired styles from some of the leading luxury brand manufactures in the US.

The Meduse vase boasts a unique, teacup design with soft folds surrounding the exterior of the vessel. The spooky blue surface finish is coated in a rugged white and earth-toned texture that gives this accent a breath of fresh air. Durable glass construction and a flat, sturdy base make the Meduse the perfect storage option for your seasonal floral arrangements or decorative twigs. Add a striking accessory to your traditional living room coffee table, eclectic entryway console, or modern kitchen island countertop with this artful accent.
