

Palace in the Sky Collection

[Downsview Kitchens](#)

Since 1967, at DOWNSVIEW KITCHENS we have been producing the finest kitchen furnishings on the market. Through the years we have assembled a remarkable team of designers, technicians, craftsmen, finishers and artisans who together have made the company one of the industry's leading manufacturers.

In the constant process of updating our product lines to the market demands, we continually search the world for new product and materials. Our company objective is to supply the ingredients and know-how, and let the creative mind produce the kitchens of tomorrow.
