

Reclaimed Flooring

[Jewett Farms](#)

Jewett Farms + Co. craftsmanship and personalized sense of design are present in everything we create; our architectural millwork and furniture grade cabinetry will make every room in your home special. The team of skilled JF cabinetmakers build every project from start to finish in our York, Maine cabinet shop. All materials are hand selected, then constructed using a blend of time-honored traditional joinery and efficient modern techniques to build each

Our reclaimed antique floors are sourced from barns and industrial buildings all over the country that are no longer in use or are scheduled for demolition. Imbue your home with the natural beauty of a sustainable and historic hardwood floor and enjoy the character of a product that has a rich history.
