

Structure Design Gallery

[System 7](#)

Driven by the team at System 7, Wolfers Lighting, and Boston Shade, the Design Gallery is a clean and modern space, free from the clutter that often overwhelms traditional showrooms. Everything in the Gallery has been carefully and intentionally selected, and is complemented by expanded offerings and resources here on our website. It's a fresh new take on a traditional space that we're excited to share with you.

The Structure Design Gallery is a new showroom by System 7, Wolfers Lighting, and the Boston Shade Company. We solve today's design complexities for homeowners, architects and design professionals, offering the best in lighting, automated shading, and home technology.
