

SUMMERHOUSE OUTDOOR/INDOOR FABRICS

[Osborne & Little](#)

Hothouse and indoor plants provide inspiration for this collection of printed fabrics and co-ordinating weaves. The fabrics are stain and mildew resistant and have excellent light fastness, making them suitable for outdoor use. The colour palette includes sunshine yellow, turquoise, terracotta, apple green, black and linen, providing options for poolside, gardens, terraces and sunny interiors.

A collection of printed fabrics and co-ordinating weaves.
