

Wood Benchtops

[Jewett Farms](#)

Jewett Farms + Co. craftsmanship and personalized sense of design are present in everything we create; our architectural millwork and furniture grade cabinetry will make every room in your home special. The team of skilled JF cabinetmakers build every project from start to finish in our York, Maine cabinet shop. All materials are hand selected, then constructed using a blend of time-honored traditional joinery and efficient modern techniques to build each

Bring the warmth and character of natural hardwoods to your fingertips. Our handcrafted wood benchtops can be incorporated into your overall kitchen design or can be purchased as a stand-alone item.
